

ANDREA925

FONT SELECTION GUIDE

FOR LASER ENGRAVING ONLY

For your laser engraving, you can choose 1 among the fonts proposed below and indicate it in the NOTES field during the purchase procedure together with the text or initial you would like.

Based on our experience, we recommend the fonts that have an optimal result in terms of size, thickness, symmetry and aesthetics.

You can choose from the fonts that we propose below and thus also view the preview.

The **ANDREA925** proposals:
